

Please use our Disaster Prevention and Crime Prevention Information E-mail Service!

The prefecture distributes disaster and crime prevention information to cell phones and PCs via e-mail. Important information to protect your life will be delivered automatically in disaster-prone Japan.

Information provided by Disaster Prevention and Crime Prevention Information Mail

Disaster Prevention Information

Evacuation information (evacuation orders, etc.)

Weather information

Weather warnings (heavy rain, landslides, floods, etc.) earthquake information, tsunami advisories / warnings, eruption advisories / forecasts, etc.

step

1

Send a blank email to the registration address

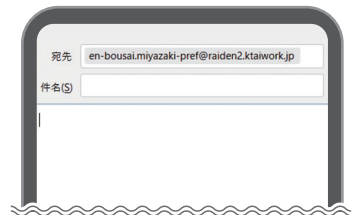

Send a blank email (an email without a subject or body) to the registration email address from the address you wish to receive.

Email address for registration

en-bousai.miyazaki-pref@raid2.ktaiwork.jp

1

step

2

Receive temporary registration confirmation email

You will receive an e-mail with a URL for this registration.

*If you have set up a spam filter, please change your settings so that you can receive emails from the system (miyazaki-pref@raid2.ktaiwork.jp).

2

step

3

Original registration

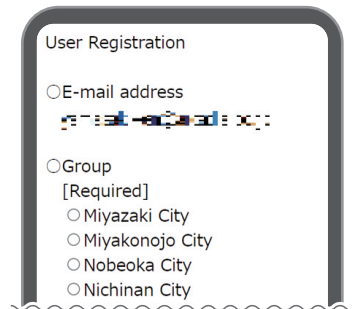

Please select the city, town or village where you wish to receive the information.

Press "Next" at the bottom of the screen, confirm the contents of the confirmation screen, and then press "Register".

*It is possible to select two or more municipalities.

If you select two locations, you will receive two disaster/crime prevention information e-mails.
